The historic Fabyan Japanese Garden blooming with snow! Join us for a series of insightful guided walks on Saturdays, January 23rd and February 20th and Wednesday, February 3rd at 1:00 p.m.

Japanese Gardens are designed to be enjoyed throughout the year and our frosty Winter Walk is a refreshing exploration of the Fabyans' historic Eden. Fabyan staff will lead tours highlighting the 100-year-old garden's delicate beauty. Prepare for splendor as a blanket of snow sheds new light onto structural vistas and design features. In addition to examining Japanese garden theory, tours will touch on Fabyans' fascinating history.

Warm beverages will be provided. Bundle up and be prepared to stroll through snow. Snow is a requirement for this tour, so please telephone 630.377.6424 the morning of the tour to confirm. Tour admission is \$2 per person; please meet at the garden's West gate.

The Winter Walk is sponsored by Preservation Partners of the Fox Valley. For more information, visit www.ppfv.org. The Japanese Garden is located in the Fabyan West Forest Preserve, Route 31 Geneva, just North of Fabyan Parkway, and is owned by the Forest Preserve District of Kane County.
