Looking for *More on 34* Partners

More on 34 is a premier Father's Day Weekend yard sale extravaganza reaching more than 140 miles through several West Central Illinois counties. In past years, bargain hunters and travelers from around the region have come to enjoy yard sales, antique shows, flea markets and craft shows along U.S. Highway 34.

Organizers are seeking partners / vendors for the 5th annual *More on 34* sale, which will be held June 18-20, 2010. They are looking for church groups, Scout troops, civic clubs, communities and individuals to sell items. This can include everything from specialty collector items to bake sales, food stands and more.

The sale reaches from Galesburg, IL, to Aurora, IL. Participating communities are encouraged to hold featured events in their areas. In past years, this has included everything from an antiques appraiser in Earlville to a classic car showcase in Sandwich.

For more information on becoming a vendor, contact Cathy Foes, Henry County Tourism Director, 877-436-7926 or visit www.moreon34.com.
